

Introduction

This survey is a follow-up to the one you filled out after your industry externship experience. Please take the time to answer the questions thoughtfully. If you do not wish to answer a particular question for any reason, you may leave it blank. If at any point you decide that you feel uncomfortable taking this survey, you may choose not to do so.

How has the externship experience affected the way you teach?

Have you changed any content or methodology in your teaching as a result of this experience? If so, what?

If you were given the opportunity to take part in another externship next year, would you? Why or why not?
